

# OE Technology. Aftermarket Solutions.

## TRW PREMIUM CHASSIS PARTS

As a global leader, Expert Chassis Systems engineer and the one 'True Original', TRW's parts offer easy installation and the perfect fit every time – restoring vehicles to optimum performance.

Every chassis part we produce meets stringent vehicle manufacturer quality standards. Our OE experience and technical know-how enables us to design, develop and manufacture aftermarket parts which work in harmony with each other, and within the system.
